Jazz

NECTA

All that **Jazz**! **JAZZ** from Necta allows a complete refreshment service to be offered to smaller sites where space is limited, thanks to its compact footprint. **Jazz** offers a fantastic selection of snacks, confectionery, cans and bottles. Alternatively snack only or can and bottle models are available. To ensure client satisfaction, the **Jazz** also has a sensor in the delivery area which detects if a product has actually been vended. Alone or banked with Opera, **Jazz** is the ideal machine for today's demanding vending marketplace.
